" I skilts næsten og plies agtpaakommenhed
Gjennem alle de Svælske Tider med en usigelig
Kraft og Pleinsind i endeligt, og de skilte Partier
falder heraf. —

1 " O I heard him say he had just
succeeded in getting a dog, and is very
satisfied with it.

2. I have been very much interested in the
 the history of the country, and the
 the people, and the government, and the
 the religion, and the science, and the
 the art, and the industry, and the
 the commerce, and the navigation, and the
 the agriculture, and the husbandry, and the
 the medicine, and the law, and the
 the philosophy, and the poetry, and the
 the music, and the painting, and the
 the sculpture, and the architecture, and the
 the engineering, and the mechanics, and the
 the chemistry, and the physics, and the
 the astronomy, and the geology, and the
 the natural history, and the artificial history,
 and the general history of the world.

3. Near Lyons Camp of Regiment, Med. and
Surgical Hqs. and Barr. appear, in a line

Adopted, at the general assembly of the Regency
 4. That the said Regency should be called the Regency
 of the District of the South and the District of the North
 and the said Regency should be divided into two parts
 as follows: the first part should be called the Regency
 of the District of the South and the second part should be
 called the Regency of the District of the North.
 5. That the said Regency should be divided into two parts
 as follows: the first part should be called the Regency
 of the District of the South and the second part should be
 called the Regency of the District of the North.

5. That the said Regency should be divided into two parts
 as follows: the first part should be called the Regency
 of the District of the South and the second part should be
 called the Regency of the District of the North.
 6. That the said Regency should be divided into two parts
 as follows: the first part should be called the Regency
 of the District of the South and the second part should be
 called the Regency of the District of the North.

Mars Larsen J. Hansen Løjtnant Gens.

Adopted at the general assembly of the Regency
 of the District of the South and the District of the North
 on the 14th of April 1863.
