

BULLETIN

Serious incident

06-11-2013

involving

OY-HJJ

Certain report data are generated via the EC common aviation database

FOREWORD

This bulletin reflects the opinion of the Danish Accident Investigation Board regarding the circumstances of the occurrence and its causes and consequences.

In accordance with the provisions of the Danish Air Navigation Act and pursuant to Annex 13 of the International Civil Aviation Convention, the investigation is of an exclusively technical and operational nature, and its objective is not the assignment of blame or liability.

The investigation was carried out without having necessarily used legal evidence procedures and with no other basic aim than that of preventing future accidents and serious incidents.

Consequently, any use of this bulletin for purposes other than preventing future accidents and serious incidents may lead to erroneous or misleading interpretations.

A reprint with source reference may be published without separate permit.

Notification

All times in this report are UTC.

The Aviation Unit of the Danish Accident Investigation Board (AIB) was notified of the serious incident by UK Air Accidents Investigation Branch, (AAIB) on 07-11-2013 at 16:15 hrs.

History of the flight

Shortly after take-off, after the autopilot was engaged, the helicopter unexpectedly reduced speed and descended. The crew regained manual control and continued the flight to the intended destination.
